Foreword

Foreword

Floriculture Association Nepal (FAN) is happy to publish this updated Directory of floriculture enterprises of Nepal as long gapes. This is third edition. First directory was published by FAN in 1992 than second edition at 2002.

We believe that this directory will be valuable for exporter, importer & entrepreneur of floriculture products from Nepal and also for the concerned person, enterprises, institutions of GoN, INGOs as well as NGOs in Nepal. We are confident that this directory will also help the concerned agencies in making policy decisions for the promotion of floriculture enterprises and in planning and strategy formulation for the floriculture sector.

FAN would like to express its sincere gratitude to Government of Nepal, Ministry of Agriculture Development for the providing financial support in the preparation of this directory. Other program support of Directory publication committee members, FAN program coordinator Mr. Janga Bahadur Tamang, data entry support members Ms. Annika Shrestha Ms. Samjhana Shrestha & Surendra Poudel deserve special acknowledgement for his endeavor in the preparation this directory.

FAN admits that this directory has tried to cover all of the floriculture entrepreneurs of Nepal. Such exclusion, however, is not intentional. We humbly request those entrepreneurs who have not been included in this directory to send us their information. The entrepreneurs are requested to send all information in the format of this directory; a revise version directory will be publishing coming years too.

Thank you.
